**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition, Sonic is the best internet provider we've ever had, best price, best customer service and immediate service unlike the Big companies. Broadband is so critical in our home , for college , work and so much faster than what others have provided, so much less money that it makes us able to afford it and we also get 0 charge for the home phone.

No more price hikes, we want broadband to stay ,we need more competition.

Thank you in advance
